

## How would you like your coffee?

### Coffee Lab

We have hand selected the best beans and greatest blends from around the world. Our passion for coffee has led us to the most enriching coffee experience possible. This incomparable combination is brought to life by award winning baristas across the globe.

### Our beverage signature brews are prepared to order

#### *Hot Coffee...*

#### **Chemex "Pure and Smooth" *Serving two guests***

This brewing method extracts the finest flavour and body from single origin beans. The coffee simply runs through the filter and gives you a pure and smooth taste which can't be compared.

9

#### **Syphon "Extraordinary Concentration" *Per cup***

The true craftsmanship effect awakens with the syphon. This method combines full emersion and high temperature to produce the most stimulating coffee. Time spent brewing in this machine will result in extraordinary tastes and concentration.

4.5

#### *Cold Coffee...*

#### **Kyoto "Flawless and Strong" *Per cup***

This process of cold brewing coffee has been around for centuries and offers a unique taste. The filtration system is extremely delicate and produces a flawless and strong taste.
