ORDERING RULE BOOK

IMPORTANT: You are about to order the greatest burger you'll ever have until your next visit to Blaze. Make your choices wisely and take your time to go through the menu. If you're one of our treasured regulars then you'll know things that are even out of the scope of this menu.

1. GENERAL TERMS

- Most of the items on the menu are made daily from scratch, so we apologize if we run out of some items during the day.

- Your food might take some time. We don't serve fast food, we serve Real food .

- We don't add fat to make our burgers more juicy. Good beef have seven times more water content than fat!

- Never ask about our best seller. If it doesn't sell, we don't serve it.

- No Discounts & No Offers!!!! Because we work so hard to make your burger, we don't simply give them away.

- It's all about the passion. So there's no need to walk-in, act like a customer and ask some irrelevant questions on how we prepare our meals. You just make it awkward for both of us (this one is not pointed to customers, you're most welcomed to ask, we have no secrets)

2. OUR POLICY

- We prepare your food just the way you expect it. If it's not so, we will replace it.
- We offer a menu that covers a vast range of taste. For that reason, your perfect meal is in here, you just have to find your right fit. If you were unlucky to find it, we can understand that you might simply assume that we are overrated!
